## Global Harvest Celebration 2024

Summer is coming to an end, and it's that time of year again when we think about celebrating all the produce we have grown. Green Synergy will be holding their annual Global Harvest Celebration on Wednesday 23rd October. It will be a day full of fun and laughter along with food, activities, games, information and craft stalls. We will once again look forward to welcoming the Mayor and Sheriff of Lincoln to our garden.

As always with these events, they involve a lot of work, in the run up to, during the event and clearing up afterwards. If anyone is able to donate even just an hour or two of their time it would be very much appreciated. Please contact [wendy@greensynergy.org.uk](mailto:wendy@greensynergy.org.uk) to get more information or to register your interest.

## 2024 Events

Here is an overview of the events we are running or attending over this year. Watch this space as more events are added.

We are always looking for volunteers to help out at the events we run on Hillside Garden, if you have some time to spare please let us know at [info@greensynergy.org.uk](mailto:info@greensynergy.org.uk)

### A fresh lick of paint makes all the difference!

Our garden now looks a lot more presentable on first approach from the footpath, after we finally managed to finish painting the fence. There has been a lot of effort gone into this project. Our regular volunteers have been weeding and cutting back to expose the fence and we have had a few corporate groups working painting stretches of it. This week a group of volunteers from B&Q, along with donations of paint, brushes and other useful bits saw us finally reach the end of this task. Our thanks go to all who have been involved in this venture.

## Have you completed our community listening survey?
