Our News & Updates

January 2025 | Issue 25

---

We are saddened to have to report that over the Festive period our Hillside Garden has again been targeted by vandals. Our staff, volunteers and participants work really hard all year to provide a space which is a welcoming green oasis in the middle of an urban estate.

The mindless behaviour of a few causes such heartache to so many.

The Children's garden has seen the brunt of the damage this time.

We are working with the Police to try and put a stop to this and see justice done.

If anyone has any information which may be helpful please contact us

Or if you are able to make a donation towards the repairs please donate here.
