### We had a wonderful time at Santa and Songs

Held at our Community Hub, 49 Roman Pavement, rather than on the garden, due to the forecast of inclement weather, we transformed an event shelter first into a 'stage' then into Santa's grotto.

Thank you to Nettleham Community Choir and Birchwood sings, for filling the air with some festive tunes,

Children young and old tried their hand at bauble making, card making and even prepared some reindeer food in anticipation of a visitor on Christmas eve.

Thank you also to our special guest, who took time out of his busy schedule to pay us a visit.

Merry Christmas!
